Conflict of Interest Disclosure Statement

This form may be completed and submitted by mail or electronically by:

- Responding to each question
- Entering the required information at the end of the form
- Sending, e-mailing, or faxing it the HR Director

For Staff:

This questionnaire is to be completed by all employees with approval authority, fiscal staff, and IT staff.

For Volunteers and Others:

For key volunteers, board members, and other committee members (finance, audit, nominating, etc.), the questionnaire should be completed and returned to the HR Director.

Before submitting completed questionnaires with explanations to “YES” answered questions that could be considered as revealing “business confidential” information, it may be advisable to discuss such responses with your corporate and/or personal attorney.

Due to the size and scope of the Organization, it is not unusual for an employee, volunteer, or others to make some affirmative responses to the questions included herein. If a question is answered “YES,” it does not mean that a conflict of interest necessarily exists, or if one does, the conflict is detrimental to the organization.

All “YES” answers will be reviewed in the context of the employee, volunteer, or other individual’s respective assignment(s). Discussion is encouraged with responsible staff supervision and/or volunteer officers in determining the appropriate disposition of potential conflict of interest situations. For example, as a result of the review and subsequent discussions, it might be determined that a staff member should not work on a particular project or a volunteer should not participate in a particular decision.

This conflict of interest policy is designed to help directors, officers and employees of the Organization identify situations that present potential conflicts of interest and to provide the Organization with a procedure which, if observed, will allow a transaction to be treated as valid and binding even though a director, officer or employee has or may have a conflict of interest with respect to the transaction. All capitalized terms are defined in Part 2 of this policy.

1. **Conflict of Interest Defined.** For purposes of this policy, the following circumstances shall be deemed to create Conflicts of Interest:

a. **Outside Interests.**

- i. A Contract or Transaction between the Organization and a Responsible Person or Family Member.
- ii. A Contract or Transaction between the Organization and an entity in which a Responsible Person or Family Member has a Material Financial Interest or of which such person is a director, officer, agent, partner, associate, trustee, personal representative, receiver, guardian, custodian, conservator or other legal representative.

b. **Outside Activities.**

- i. A Responsible Person competing with the Organization in the rendering of services or in any other Contract or Transaction with a third party.
- ii. Responsible Person's having a Material Financial Interest in; or serving as a director, officer, employee, agent, partner, associate, trustee, personal representative, receiver, guardian, custodian, conservator or other legal representative of, or consultant to; an entity or individual that competes with the Organization in the provision of services or in any other Contract or Transaction with a third party.

c. **Gifts, Gratuities and Entertainment.** A Responsible Person accepting gifts, entertainment or other favors from any individual or entity that:

- i. does or is seeking to do business with, or is a competitor of the Organization; or
- ii. has received, is receiving or is seeking to receive a loan or grant, or to secure other financial commitments from the Organization;
- iii. under circumstances where it might be inferred that such action was intended to influence or possibly would influence the Responsible Person in the performance of his or her duties. This does not preclude the acceptance of items of nominal or insignificant value or entertainment of nominal or insignificant value which are not related to any particular transaction or activity of the Organization.

2. **Definitions.**

- c. A "Family Member" is a spouse, domestic partner, parent, child or spouse of a child, brother, sister, or spouse of a brother or sister, of a Responsible Person.
- d. A "Material Financial Interest" in an entity is a financial interest of any kind, which, in view of all the circumstances, is substantial enough that it would, or reasonably could, affect a Responsible Person's or Family Member's judgment with respect to transactions to which the entity is a party. This includes all forms of compensation.
- e. A "Contract or Transaction" is any agreement or relationship involving the sale or purchase of goods, services, or rights of any kind, the providing or receipt of a loan or grant, the establishment of any other type of pecuniary relationship, or review of a charitable organization by the Organization. The making of a gift to the Organization is not a Contract or Transaction.

3. Procedures.

The chair shall report the disclosure at the meeting and the disclosure shall be reflected in the minutes of the meeting.
- c. Such person shall not attempt to exert his or her personal influence with respect to the matter, either at or outside the meeting.
- d. A person who has a Conflict of Interest with respect to a Contract or Transaction that will be voted on at a meeting shall not be counted in determining the presence of a quorum for purposes of the vote. The person having a conflict of interest may not vote on the Contract or Transaction and shall not be present in the meeting room when the vote is taken, unless the vote is by secret ballot. Such person's ineligibility to vote shall be reflected in the minutes of the meeting. For purposes of this paragraph, a member of the Board of Directors of the Organization has a Conflict of Interest when he or she stands for election as an officer or for re-election as a member of the Board of Directors.
- e. Responsible Persons who are not members of the Board of Directors of the Organization, or who have a Conflict of Interest with respect to a Contract or Transaction that is not the subject of Board or committee action, shall disclose to the Chair or the Chair's designee any Conflict of Interest that

such Responsible Person has with respect to a Contract or Transaction. Such disclosure shall be made as soon as the Conflict of Interest is known to the Responsible Person. The Responsible Person shall refrain from any action that may affect the Organization's participation in such Contract or Transaction. In the event it is not entirely clear that a Conflict of Interest exists, the individual with the potential conflict shall disclose the circumstances to the Chair or the Chair's designee, who shall determine whether there exists a Conflict of Interest that is subject to this policy.

- f. The corrective or disciplinary action determined by the board to be necessary in resolving a conflict of interest shall be documented in the minutes to the meeting.

- 4. **Confidentiality.** Each Responsible Person shall exercise care not to disclose confidential information acquired in connection with such status or information the disclosure of which might be adverse to the interests of the Organization. Furthermore, a Responsible Person shall not disclose or use information relating to the business of the Organization for the personal profit or advantage of the Responsible Person or a Family Member.

5. **Review of policy.**

Each Responsible Person shall annually complete a disclosure form identifying any relationships, positions or circumstances in which the Responsible Person is involved that he or she believes could contribute to a Conflict of Interest arising. Such relationships, positions, or circumstances might include service as a director of or consultant to a nonprofit organization, or ownership of a business that might provide goods or services to the Organization. Any such information regarding business interests of a Responsible Person or a Family Member shall be treated as confidential and shall generally be made available only to the Chair, the Executive Director, and any committee appointed to address Conflicts of Interest, except to the extent additional disclosure is necessary in connection with the implementation of this Policy.
